THE MAINSTREAM MEDIA IS NOT YOUR FRIEND

THE CIRCLE IS NOW COMPLETE: EXXONMOBIL CEO OFFICIALLY CHOSEN AS SECRETARY OF STATE

A lot of people have yet to catch on to what is REALLY going on here. Not only has Trump picked a Kenite Bankster as his Treasury Secretary, who was also initiated into Yale's Skull and Bones (Chapter 322 of The Illuminati) in 1985 according to writer Anthony C. Sutton, but Trump also has recruited a CFR member as Deputy National Security Adviser and a former Rothschild Inc. tactician as Commerce Secretary and now ExxonMobil CEO Rex Tillerson has been chosen as Secretary of State. ExxonMobil is, of course, the modern day incarnation of John D. Rockefeller's Standard Oil. As it is written: "The love of money is the root of ALL evil."

This is all fantastic news to those of us eagerly awaiting the end of this Generation of the Fig Tree because, as you should know by now, there must first be a One World Political System and peace between the United States and Russia is key. The new Secretary of State has a history with Vladimir Putin and the proverbial hatchet will no doubt be buried in no time. With the peace between the Lion and the Bear of Daniel 7 starting to solidify under the supervision of the Leopard (The Kenite Nation which is The Shadow Government) the stage is being quite obviously set for Satan and his angels to be cast from heaven unto the earth at the Woe of the Fifth Trumpet at which time the One World Political System of Revelation 13 will emerge.

Only after this One World Political System emerges at the Woe of the Fifth Trumpet does it receive a "Deadly Wound" (a political wound) after which Satan appears as Antichrist in Jerusalem at the Woe of the Sixth Trumpet. This is when it becomes a One World Religious System. The True Christ WILL NOT return until AFTER the Five Month Long Hour of Temptation at the Woe of the Seventh Trumpet.

THINK WE SHOULD GIVE TRUMP A CHANCE? SO DOES CFR/TRILATERAL COMMISSION/BILDERBERG GROUP MEMBER HENRY KISSINGER:

(EXCERPT) "No doubt, the president-elect is a personality for whom there is no precedent in modern American history. And his campaign included rhetorical elements challenging patterns considered traditional," said Kissinger, who shared the 1973 Nobel Peace Prize with Le Duc Tho for negotiating the Paris Peace Accords.

"The international debate should be over evolving American policy, not over campaign rhetoric. But the overriding quest for peace and stability has dominated every American presidential administration I have studied and known."

From *International Business Times*, 12-12-16

"Two states for two peoples.
And that's where I'm focused.
Yeah, I'd like to have President Trump, when he gets into the White House, help me work on that. I'd like to see if the Arab states can help me achieve that. It's a new reality. A new possibility."

Benjamin Netanyahu, 12-11-16

EDITOR'S NOTE:
This is not "anti-globalism",
in case you haven't figured it out yet.
It's just the opposite.
WORLD PEACE is the KEY.

**GO TO NOW, YE RICH MEN,
WEEP AND HOWL FOR YOUR MISERIES
THAT SHALL COME UPON YOU.
YOUR RICHES ARE CORRUPTED,
AND YOUR GARMENTS ARE MOTHEATEN.
YOUR GOLD AND SILVER IS CANKERED;
AND THE RUST OF THEM
SHALL BE A WITNESS AGAINST YOU,
AND SHALL EAT YOUR FLESH
AS IT WERE FIRE.
YE HAVE HEAPED TREASURE TOGETHER
FOR THE LAST DAYS.**

HOW THE ROTHSCHILDS TRUMPED AMERICA

Excerpt from "HOW ROTHSCHILD INC. SAVED DONALD TRUMP" By J.C. Collins

On October 30, 1978, The Spotlight newspaper reported that the principle investors of Resorts International were Meyer Lansky, Tibor Rosenbaum, William Mellon Hitchcock, David Rockefeller, and one Baron Edmond de Rothschild.

in his book The New Jerusalem: Zionist Power in America, Michael Collins Piper (found dead in a hotel room about two weeks before Trump announced his candidacy in 2015) has done an excellent job of describing the relationship between Donald Trump and Resorts International. The following excerpt sums up the relationship:

"In 1987, upon the death of longtime CIA front man James Crosby, the nominal head of Resorts International, up-and-coming young New York real estate tycoon Donald Trump stepped into the picture and bought Crosby's interest in the gambling empire."

"Trump soon became a household name, with his colorful personality and his insistence upon naming a variety of luxury hotels, apartment houses and other commercial ventures after himself. But while the name "Trump" appeared in the headlines, the names of the real movers behind Resorts International remained hidden from public view."

The support of the Rothschild's would become even more apparent.

After quickly expanding the reach of Resorts International to Atlantic City in the final years of the 1980's, Donald Trump found himself in financial trouble as the real estate market in New York tanked. The three casinos in Atlantic City, like other Trump assets, were under threat from lenders. It was only with the assistance and assurance of Wilbur L. Ross Jr., senior managing director of Rothschild Inc. that Trump was allowed to keep the casinos and rebuild his threatened empire.

This was detailed in a Bloomberg article from March 22, 1992.

The connection between Baron Edmond de Rothschild, being one of the original principle investors of Resorts International, and Rothschild Inc. allowing Donald Trump to retain "ownership" over the Atlantic City casinos, which saved him from bankruptcy, should not be considered a coincidence.

Great wealth can both create and destroy men of perceived consequence.

Donald Trump landed on his feet when ironically the real estate market in New York turned and his wealth increased dramatically once more. From there the Trump Empire continued to roll forward and eventually expanded its brand into the realm of reality television, the newest method of socioeconomic and cultural engineering.

For those wondering, Wilbur L. Ross Jr. spent 24 years
at the New York office of Rothschild Inc.
