GLOBAL WARFARE:

“WE’RE GOING TO TAKE OUT 7 COUNTRIES IN 5 YEARS: IRAQ, SYRIA, LEBANON, LIBYA, SOMALIA, SUDAN & IRAN...”

6 out of these 7 countries (with the exception of Lebanon) identified by General Wesley Clark “to be taken out” are now the object of President Trump’s ban on Muslims’ entry to the US: **Iraq, Syria, Somalia, Libya, Sudan, Iran and Yemen.**

Excerpt from the interview conducted in 2007 by Democracy Now with General Wesley Clark. Retired 4-star U.S. Army general, Supreme Allied Commander of NATO during the 1999 War on Yugoslavia :

About ten days after 9/11, I went through the Pentagon and I saw Secretary Rumsfeld and Deputy Secretary Wolfowitz. I went downstairs just to say hello to some of the people on the Joint Staff who used to work for me, and one of the generals called me in. He said, “Sir, you’ve got to come in and talk to me a second.” I said, “Well, you’re too busy.” He said, “No, no.” He says, “We’ve made the decision we’re going to war with Iraq.” This was on or about the 20th of September. I said, “We’re going to war with Iraq? Why?” He said, “I don’t know.” He said, “I guess they don’t know what else to do.” So I said, “Well, did they find some information connecting Saddam to al-Qaeda?” He said, “No, no.” He says, “There’s nothing new that way. They just made the decision to go to war with Iraq.” He said, “I guess it’s like we don’t know what to do about terrorists, but we’ve got a good military and we can take down governments.” And he said, “I guess if the only tool you have is a hammer, every problem has to look like a nail.”

So I came back to see him a few weeks later, and by that time we were bombing in Afghanistan. I said, “Are we still going to war with Iraq?” And he said, “Oh, it’s worse than that.” He reached over on his desk. He picked up a piece of paper. And he said, “I just got this down from upstairs” — meaning the Secretary of Defense’s office — “today.” And he said, “This is a memo that describes how we’re going to take out seven countries in five years, starting with Iraq, and then Syria, Lebanon, Libya, Somalia, Sudan and, finishing off, Iran.”

DONALD TRUMP ‘THINKING SERIOUSLY’ ABOUT PROPOSED US EMBASSY MOVE TO JERUSALEM

THE INDEPENDENT, 2-10-17

(EXCERPT) Despite enthusiasm from several prominent Israeli politicians, White House Press Secretary Sean Spicer told reporters last month that the US was only “at the very beginning stages of even discussing this subject.” While the election of Mr Trump - who is regarded as far more sympathetic to Israeli interests than his predecessor Barack Obama - was welcomed in Israel, the president also used the Israel Hayom interview to say he does not think Israeli settlement building in the West Bank is “good for peace.” The remarks represent the most direct comments Mr Trump has made on the subject since taking office.

Israel, emboldened by what one politician described as a “friend in the White House”, has pushed through plans for thousands of settler homes over the 1967 Green Line in the past few weeks. Last week the Knesset also voted to legalise around 4,000 homes already built on privately owned Palestinian land.

Palestinian officials have been outraged by both the new building plans and the proposed embassy move, which Palestinian Authority President Mahmoud Abbas wrote to Mr Trump to warn it could “open the gates of hell”. One senior Fatah member called the move “as good as as declaration of war.”

EDITOR’S NOTE:

Seeing as how after the Woe of the Fifth Trumpet when the One World Political System emerges which will receive a “Deadly Wound” Satan will appear IN JERUSALEM at the Woe of the Sixth Trumpet as the False Christ, WATCH.

BUT, BEHOLD, I WILL RAISE UP AGAINST YOU A NATION, O HOUSE OF ISRAEL, SAITH THE LORD THE GOD OF HOSTS; AND THEY SHALL AFFLICT YOU FROM THE ENTERING IN OF HEMATH UNTO THE RIVER OF THE WILDERNESS.

CFR/TRILATERAL COMMISSION MEMBER APPOINTED TO NATIONAL SECURITY COUNCIL

By Patrick Wood, Technocracy News and Trends, 2-6-17

According to a White House **press release**, the first member of the Trilateral Commission has entered the Trump administration as the Deputy Assistant to the President for International Economic Affairs, where he will sit on the National Security Council:

***Kenneth I. Juster** will serve as Deputy Assistant to the President for International Economic Affairs. He will coordinate the Administration's international economic policy and integrate it with national security and foreign policy. He will also be the President's representative and lead U.S. negotiator ("Sherpa") for the annual G-7, G-20, and APEC Summits. Juster has previously served in the U.S. Government as Under Secretary of Commerce (2001-2005), Counselor (Acting) of the Department of State (1992-1993), Deputy and Senior Advisor to Deputy Secretary of State Lawrence S. Eagleburger (1989-1992), and Law Clerk to Judge James L. Oakes of the U.S. Court of Appeals for the Second Circuit (1980-1981). In the private sector, Juster has been a Partner and Managing Director at the global investment firm **Warburg Pincus** (2010-2017), Executive Vice President of **salesforce.com** (2005-2010), and Senior Partner at the law firm **Arnold & Porter** (1981-1989, 1993-2001). Juster has also served as Chairman of the Advisory Committee of Harvard's Weatherhead Center for International Affairs, Vice Chairman of the Board of the Asia Foundation, and **a member of the Trilateral Commission, the Council on Foreign Relations, and the American Academy of Diplomacy.** Among his honors, Juster is the recipient of the Secretary of Commerce's William C. Redfield Award and the Secretary of State's Distinguished Service Award. Juster holds an A.B. in Government from Harvard College, a Master's Degree in Public Policy from Harvard's Kennedy School, and a J.D. from the Harvard Law School.[emphasis added]*

Juster was appointed by National Security Advisor Michael T. Flynn, formerly a U.S. Army lieutenant general and Director of the Defense intelligence Agency. Flynn has had a close working relationship with the Center for a New American Security, where three members of the Board of Directors are also members of the Trilateral Commission, including its founder and CEO, Michele Flourney. Other CNAS directors include Kurt Campbell and Lewis Kaden. Trilateral Paula Dobriansky is listed on the Board of Advisors.

Flynn's other senior staff appointments to the National Security Council include David Cattler, John Eisenberg and Kevin Harrington.

"I'm incredibly excited about working with this talented group," Flynn said. "With their diverse backgrounds in in business, law, technology, government, the military and the Intelligence community, they bring a wealth of experience and fresh ideas to the table."

In his position as Deputy Assistant to the President for International Economic Affairs, Juster will continue the Trilateral Commission's 44 year hegemony over economic affairs with its stated intent to create a "New International Economic Order." Juster's elitist resume indicates that he is a key Trilateral operative within globalist circles.

Juster's first exposure to the Trilateral Commission occurred early in his career, during Jimmy Carter's presidency, when he worked one summer on the staff of the National Security Council under Zbigniew Brzezinski, co-founder and principal strategist for the Commission.

As carefully documented in Technocracy Rising: The Trojan Horse of Global Transformation, Trilateral Commission members have been directly responsible for the creation of Sustainable Development (aka Technocracy), Agenda 21 and other UN programs.

EDITOR'S NOTE: See also page 124 of The Grand Chessboard by Zbigniew Brzezinski which shows a map with all 7 countries listed by Wesley Clark as well as pointing out "Russia, Turkey and Iran" in the text who have formed a "Trilateral Mechanism" in Syria just recently.
