KENITE OCCUPIED ISRAEL CLOSES TEMPLE MOUNT FOR FIRST TIME SINCE 1969

Jerusalem is the geographical location in which Satan will appear as the false messiah at the 6th Seal, the 6th Trumpet and the 6th Vial which is why The True Messiah said in Chapter 24 of **The Gospel of Matthew**:

“When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) Then let them which be in Judaea flee into the mountains:”

Before Satan can appear in Jerusalem as Antichrist at The Woe of the Sixth Trumpet, The Woe of the Fifth Trumpet must first occur. It is at The Woe of the Fifth Trumpet that Satan and his angels are cast from heaven into the earth and the One World Political System emerges having seven heads and ten horns. The One World Political System is then “wounded to death” after which Satan appears in Jerusalem at The Woe of the Sixth Trumpet.

On page 1895 of The Companion Bible, Bullinger points out that May-September is the period of locusts, in this case the Locust Army who are Satan’s angels cast out with him at The Woe of The Fifth Trumpet. Looking at May-September 2017 as a TYPE of The Five Month Long Hour of Temptation, mid-July would then be when Satan would appear in Jerusalem as Antichrist at The Woe of The Sixth Trumpet.

The Kenites closing The Temple Mount in mid-July then serves as a TYPE inasmuch as the event that led to the closure resulted in 5 dead, 1 wounded.
5 plus 1 equals 6
and at the end of The Fifth Trumpet The Deadly Wound occurs followed by The Sixth Trumpet.

That is not to say that the actual Five Month Long Hour of Temptation will occur during May-September but it is most definitely a TYPE that verifies the meaning of Daniel 9:27 which is what The True Christ was referring to in Matthew 24:15

TRUMP ADMINISTRATION RUN BY ZIONISTS, FOR ZIONISTS

BY PRESSTV.COM, 7-11-17

The administration of US President Donald Trump is run by Zionists and Qatar was singled out by the White House in retaliation for refusing to engage in pro-Israeli policies, an investigative journalist in Washington says.

(EXCERPT:) “The issue is that President Trump, when he was visiting [Saudi Arabia]... Trump went on to back the Saudis in this unusual tirade that the Saudis are pushing that Qatar is financing terrorists, when in fact there were no Qataris among the 9/11 hijackers, but there were Saudis among these hijackers,” Madsen said during a phone interview with Press TV on Tuesday.

“So, I think what this boils down to is the fact that we now know that Trump’s son in law, Jared Kushner, tried to basically extort \$500 million from Qatar to invest in his failed building in Manhattan,” he added. “The Qataris turned him down and Jared Kushner, who is some sort of svengali over Trump, this sort of vampire that shadows Trump at every move, was likely responsible for Trump siding with the Saudis against Qatar because Qatar didn’t fork over a half a billion dollars on Kushner’s failed real estate venture in Manhattan.”

“This goes to show that with the Trump administration, with his ambassador to Israel [David] Friedman and special envoy [Jason] Greenblatt and his other special envoy Jared Kushner, that this administration is run by Zionists, for Zionists, for the interest of Israel and against the interest of any country that refuses to engage in the criminal gangsterism of the Trump administration, and Qatar is actually no different than many countries that have now been singled out for this type of retribution and retaliation by the criminal gang that runs the White House.”

MARK 13:37

AN EAGLE FLYING THROUGH THE MIDST OF HEAVEN

'The Apollo 11 mission was one of the most significant events in the Space Race between the United States and the Soviet Union. After the USSR launched Sputnik, the first satellite, and successfully sent a man into space, America rushed to develop the technology that the Soviets already had, prompting the creation of the Apollo program. Apollo 11 was a mission to complete the first manned lunar landing. The mission was considered a great success, and was a win for the United States in the Space Race.' coldwar.org

All prophecies concerning Satan are given in lunar time as opposed to solar and 'Apollo 11 (note the resemblance to Revelation 9:11 where Apollyon (Satan) is named) launched from Cape Kennedy on July 16, 1969, carrying Commander Neil Armstrong, Command Module Pilot Michael Collins and Lunar Module Pilot Edwin "Buzz" Aldrin into an initial Earth-orbit of 114 by 116 miles. An estimated 530 million people watched Armstrong's televised image and heard his voice describe the event as he took

"...one small step for a man, one giant leap for mankind" on July 20, 1969.'

He then collected a small contingency sample of lunar material. Aldrin followed 19 minutes later, calling the lunar surface "Magnificent desolation". The astronauts then unveiled the plaque mounted on a strut behind the ladder and read the inscription aloud: "Here men from the planet Earth first set foot on the Moon July 1969, A.D. We came in peace for all mankind."

Just before we see The Fifth Angel sound in Revelation 9:1 we see in the last verse of Revelation 8 the warning of The Three Woe Trumpets:

'And I beheld, and heard an eagle flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!'

REVELATION 8:13

(The texts read "eagle". Greek: aetos -Bullinger)

The LM (EAGLE) lifted off from the Moon at 17:54:01 UT on 21 July after 21 hours, 36 minutes on the lunar surface. After docking with the CSM, piloted by Michael Collins, at 21:34:00 UT, the LM (EAGLE) was jettisoned into lunar orbit at 00:01:01 UT on 22 July. The fate of the LM (EAGLE) is not known, but it is assumed that it crashed into the lunar surface sometime within the following 1 to 4 months.

EDITOR'S NOTE: 1969 is, in my opinion, the year The Fifth Trumpet began to sound. The term "Four Winds" is always in reference to that Five Month Long Hour of Temptation and in Revelation 7 we see that Five Month Long Hour of Temptation that begins with The Woe of The Fifth Trumpet held back "till we have sealed the servants of our God in their foreheads." FIVE is "grace" in Biblical Numerics and we are still in that grace period, a time of teaching, until The Woe of The Fifth Trumpet occurs and The Five Month Long Hour of Temptation begins.

The United States and Russia (Jacob and Esau) are the two superpowers "the space race" concerned which is why the Apollo 11 mission is an unprecedented benchmark in the build up to The New World Order with The United States and Russia joined together in the One World Political System written of in Revelation 13.
