BAD MOON RISING

Britain joined 13 other members of the UN Security Council to vote in favour of a resolution calling for Donald Trump to rescind his declaration that Jerusalem is the capital of Israel, showing the depth of global opposition to the move.

The United States cast its first veto in more than six years to block the Egypt-drafted resolution, which did not specifically mention the US or Mr Trump but expressed "deep regret at recent decisions concerning the status of Jerusalem."

-The Independent, 12-18-17

Inasmuch as the United Nations will eventually provide the skeletal structure for the actual One World Political System when it finally emerges at The Woe of The Fifth Trumpet, it has to first be 'broken' and as we know from Daniel Chapter 8, Verse 8: Once the 'great horn' of 'the he goat' is broken, 'four notable ones' will come up for it toward the four winds of heaven. These 'four notable ones' are the 'four great beasts' written of in Daniel 7: The Lion, The Bear, The Leopard and Daniel's Fourth Beast. This will not happen until Satan and his angels are cast from heaven into the earth at

The Woe of The Fifth Trumpet because Daniel's Fourth Beast is exclusively supernatural. From Daniel's Fourth Beast will come the "little horn" which is Satan in his role of Antichrist appearing **IN JERUSALEM** at The Woe of The Sixth Trumpet.

So just as the United Nations and Kenite Occupied Israel were brought into being as a direct result of World War II, the United Nations and Kenite Occupied Israel will be used to bring about the actual One World Political System which, after The Deadly Wound, will become a One World Religious System. The two geographical locations where you will find the largest concentrations of Kenites are Kenite Occupied Israel and New York City where the U.N. Headquarters is located.

The Good Cop/Bad Cop Routine is the oldest trick in the book and remember about a year ago the U.N. adopted Resolution 2334 which stated that Kenite Occupied Israel's 'establishment of settlements in Palestinian Territory occupied since 1967, including East Jerusalem, had no legal validity, constituting a flagrant violation under international law and a major obstacle to the vision of two States living side-by-side in peace and security, within internationally recognized borders.'

This sparked outrage among the Zionists and their co-religionists who then began to call for the U.N. to be 'defunded' (See the Washington Times article from 12-27-16 entitled: U.N.'s Anti-Israel Vote Fuels Republican Calls To Defund World Body) which could very well be the breaking of the 'great horn' of 'the he goat' written of in Daniel 8:8 with 'the he goat' being symbolic of the Shadow Government of the Kenites.

Time will tell.

ERDOGAN ANNOUNCES PLAN TO OPEN EMBASSY IN EAST JERUSALEM

PRESS TV, 12/17/17
(EXCERPT)

Turkish President Recep Tayyip Erdogan has reiterated his country's support for Palestine in the wake of US President Donald Trump's recognition of Jerusalem al-Quds as Israel's capital, stating that Ankara plans to open an embassy in East Jerusalem al-Quds.

On December 6, Trump announced his decision to recognize Jerusalem al-Quds as Israel's capital and relocate the US embassy in occupied lands from Tel Aviv to Jerusalem al-Quds.

The dramatic shift in Washington's policy vis-à-vis the city triggered demonstrations in the occupied Palestinian territories, Iran, Turkey, Egypt, Jordan, Tunisia, Algeria, Iraq, Morocco and other Muslim countries.

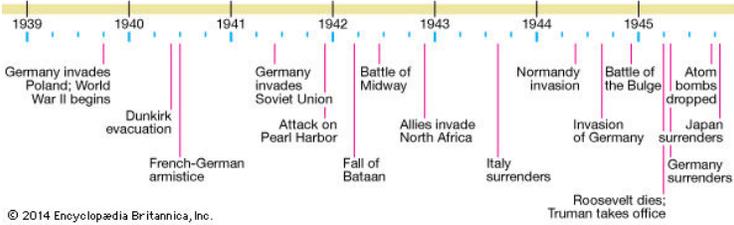

On December 10, violent clashes erupted outside the US embassy in the Lebanese capital Beirut during a protest against the US decision. Demonstrators burnt tires as well as the US and Israeli flags as they pushed to break through a barbed wire erected by security forces around the embassy complex.

MARK 13:37

(10) But his sons shall be stirred up, and shall assemble a multitude of great forces: and one shall certainly come, and overflow, and pass through: then shall he return, and be stirred up, even to his fortress. (11) And the king of the south shall be moved with choler, and shall come forth and fight with him, even with the king of the north: and he shall set forth a great multitude; but the multitude shall be given into his hand. (12) And when he hath taken away the multitude, his heart shall be lifted up; and he shall cast down many ten thousands: but he shall not be strengthened by it.

Chief Events of World War II, 1939–45

Verses 10-12 are self explanatory with Germany being the focus and the second King of the South described in Daniel 11. World War 1 resulted in the League of Nations, World War 2 resulted in the United Nations. The King of the North having transitioned from Czarist Russia to Soviet Russia to the Russian Federation.

This brings us up to present time and the third King of the South: the United States...

(13) For the king of the north shall return, and shall set forth a multitude greater than the former, and shall certainly come after certain years with a great army and with much riches.

This can be applied to the current events of today with Russia's entry into Syria on September 30th 2015.

(14) And in those times there shall many stand up against the king of the south: also the robbers of thy people shall exalt themselves to establish the vision; but they shall fall.

And so it is with many against the United States because of the Syrian Civil War and the resulting refugee crisis.

"The robbers of thy people" are obviously the Kenites. The Sons of Cain who claim to be of Judah, but are actually the literal children of the devil.

E.W. Bullinger notes in The Companion Bible that **"establish the vision"** means "to help fulfill prophecy by taking the side of Syria."

(15) So the king of the north shall come, and cast up a mount, and take the most fenced cities: and the arms of the south shall not withstand, neither his chosen people, neither shall there be any strength to withstand.

The most fenced cities such as Aleppo and Damascus. We also see at this time the confederacy of Ezekiel 38 formulating between Russia, Red China and the Islamic Nations. This goes all the way back to Genesis 28:9 where Esau married one of the daughters of Ishmael: the foundation of the Communistic-Islamic Alliance. **"The arms of the south"** being, in this case, the Syrian Rebels trained and funded by the shadow government of the United States who also resurrected Al-Qaeda renaming them ISIS.

With World War 1 resulting in the League of Nations and World War 2 resulting in the United Nations, will this Syrian Civil War escalate into World War 3 resulting in the One World Political System of Revelation 13?

Time will tell.

We now rewind for a closer look at the first two attempts at One World Government: First with the League of Nations in verses 16-19 followed by the United Nations in verse 20.

(16) But he that cometh against him shall do according to his own will, and none shall stand before him: and he shall stand in the glorious land, which by his hand shall be consumed.

Here we see the League of Nations personified. The "glorious land" here is of course the Land of Israel and it was Article 22 of the Covenant of the League of Nations along with the Balfour Declaration that paved the way for the Fig Tree Generation to begin in 1948 with the "State of Israel" coming into being.

(17) He shall also set his face to enter with the strength of his whole kingdom, and upright ones with him; thus shall he do: and he shall give him the daughter of women, corrupting her: but she shall not stand on his side, neither be for him.

When you look up the word **"daughter"** in your Strong's Concordance, you will find, over and over again: "Daughter of Zion", "Daughter of Jerusalem", "Daughter of Judah", "Daughter of My People".

Jerusalem

(18) After this shall he turn his face unto the isles, and shall take many:

'The League of Nations had 42 founding members excluding the United States of America, 16 of them left or withdrew from the international organization. The Kingdom of Yugoslavia was the only (founding) member to leave the league and return to it later and remained so a member until the end. In the founding year six other states joined, only two of them would have a membership that lasted until the end. In later years 15 more countries joined, three memberships would not last until the end. Egypt was the last state to join in 1937. The Union of Soviet Socialist Republics was expelled from the league on December 14, 1939 five years after it joined on September 18, 1934. Iraq was the only member of the league that at one time was a League of Nations Mandate. Iraq became a member in 1932.' (New World Encyclopedia)

but a prince for his own behalf shall cause the reproach offered by him to cease; without his own reproach he shall cause it to turn upon him.

Without the United States as a member, the League of Nations could never be the One World Government the Kenites were attempting to formulate.

(19) Then he shall turn his face toward the fort of his own land: but he shall stumble and fall, and not be found.

With the Covenant of the League of Nations originating in the Paris Peace Conference, a look at what happened to France during World War 2 illustrates what a failed attempt at peace this was. When World War breaks out, it is safe to say the attempt at World Peace was a failure.

But it did provide the skeletal structure for the next attempt at World Peace: the United Nations...

(20) Then shall stand up in his estate a raiser of taxes in the glory of the kingdom: but within few days he shall be destroyed, neither in anger, nor in battle.

The Interlinear Bible by J.P. Green translates this verse as:

"Then one who sends a tax-exactor shall stand in his place, for the glory of the kingdom. But within a few days he will be broken, but not in anger, and not in battle."

'The United Nations (or simply UN) is an international organization established in 1945 for the purpose of securing world peace. It replaced its predecessor, the League of Nations, which had failed to prevent war between nations. It was founded by 51 nations led by the allied powers after World War II. Now with 192 members, the organization's structure still reflects the geopolitical circumstances at its founding. On the United Nations Security Council, the body with the ability to enforce its decisions, there are five permanent members (P5) with veto power—the United States, Russia, the United Kingdom, France, and the People's Republic of China (PRC). Neither Russia nor the PRC were originally permanent Security Council members but took over the seats of the Soviet Union (defunct since 1992) and Republic of China (UN membership withdrawn in 1971).

As an organization of governments designed to prevent war between states, it has struggled to address issues of civil and ethnic strife within countries. Since the end of the Cold War, trends in conflict have shifted from international to intra-national conflicts; nations are no longer the defining framework for conflict. The United Nations Security Council, the UN's enforcement tool, has had to cope with intra-state and non-state threats by expanding the jurisdiction of its authority, although some question the suitability of the UN intervening in internal conflict situations.' (New World Encyclopedia)

This time with Ephraim, Judah and Manasseh as members, with the U.N. Headquarters even in the land of Manasseh, the United Nations would for many decades forcefully hammer out the infrastructure of the future "New World Order" via all Four Hidden Dynasties: Education, Economics, Politics and Religion. With President Bush proclaiming on January 16th, 1991:

"This is an historic moment. We have in this past year made great progress in ending the long era of conflict and cold war. We have before us the opportunity to forge for ourselves and for future generations a new world order -- a world where the rule of law, not the law of the jungle, governs the conduct of nations. When we are successful -- and we will be -- we have a real chance at this new world order, an order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the U.N.'s founders."

So then who is this "raiser of taxes" the United Nations sends? Remember to think GLOBAL as far as this chapter is concerned:

As in a Global Carbon Tax.
