U.S. READY TO OPEN JERUSALEM EMBASSY MAY 14th, 2018

BY DAVID BRENNAN, NEWSWEEK.COM ON 2/23/18 AT 12:18 PM (EXCERPT)

The new U.S. Embassy in Jerusalem will open in May 2018 in celebration of **(Kenite Occupied)** Israel's 70th anniversary, according to Israeli newspaper *The Jerusalem Post*.

Israeli Minister of Transportation and Intelligence Israel Katz confirmed that the controversial embassy would officially open on May 14. The date has not yet been confirmed by the White House, but an unnamed U.S. official told *Reuters* that the U.S. is expected to open the embassy in May.

The *Post* reported that Congress will be notified of the arrangements on Friday after Rex Tillerson signed off on the security plans for the embassy Thursday.

Pence previously said the embassy would open by the end of 2019, though Tillerson suggested a move could take several years.

The goal of opening the facility by May 2018 marks a significant acceleration in planning.

SAUDI KING REPLACES TOP MILITARY COMMANDERS

Saudi Arabia's King Salman has fired the kingdom's military chief of staff and several other high ranking military officers. **PRESS TV, FEBRUARY 26, 2018 (EXCERPT)**

Citing several royal decrees, the official Saudi Press Agency (SPA) announced "the termination of the services of General Abdul Rahman bin Saleh al-Bunyan, Chief of Staff" on Monday night.

It added that Fayyad al-Ruwaili will be appointed as the new chief of staff.

The director of the kingdom's ground forces and air defenses were also replaced.

No official reason was given for the move, but they come as the kingdom's war against Yemen nears the end of its third year.

Since March 2015, the Saudi regime, together with a coalition of its allies, has been heavily bombarding Yemen as part of a brutal campaign against its impoverished southern neighbor. It has been attempting unsuccessfully to reinstall Yemen's former president Abd Rabbuh Mansur Hadi, a staunch ally of Riyadh.

THE NAME OF THEIR GAME

BY ANTONY SUTTON

Probably the most difficult task in this work will be to get across to the reader what is really an elementary observation:
that the objective of The Order is neither "left" nor "right."

"Left" and "right" are artificial devices to bring about change,
and the extremes of political left and political right are vital elements in a process of controlled change.

The answer to this seeming political puzzle lies in Hegelian logic. Remember that both Marx and Hitler, the extremes of "left" and "right" presented as textbook enemies, evolved out of the same philosophical system:
Hegelianism.

That brings screams of intellectual anguish from Marxists and Nazis,
but is well known to any student of political systems.

The dialectical process did not originate with Marx as Marxists claim,
but with Fichte and Hegel in late 18th and early 19th century Germany.

In the dialectical process a clash of opposites brings about a synthesis.

For example, a clash of political left and political right brings about another political system,
a synthesis of the two,
neither left nor right.

This conflict of opposites is essential to bring about change.

Today this process can be identified in the literature of the Trilateral Commission where "change" is promoted
and "conflict management" is termed the means to bring about this change.

In the Hegelian system conflict is essential.

Furthermore, for Hegel and systems based on Hegel,
the State is absolute.

The State requires complete obedience from the individual citizen.
An individual does not exist for himself in these so-called organic systems
but only to perform a role in the operation of the State...

EDITOR'S NOTE:

There will be no 'New World Order' until Satan and his angels are cast from Heaven to Earth.

You will find The Blueprint of The One World Political System in Daniel Chapter 7:

The Lion is symbolic of The Christian Nations, The Bear is symbolic of The Non-Christian Nations,
The Leopard is symbolic of The Four Hidden Dynasties of The Kenites (Education, Economics, Politics and Religion)
and, last but not least, Daniel's Fourth Beast is exclusively supernatural (Satan and his Fallen Angels).

The supernatural ingredient has to be here on Earth before The One World Political System emerges
at The Woe of The Fifth Trumpet at the beginning of The Five Month Long Hour of Temptation.

This 'New World Order' will receive a Deadly Wound after which Satan will appear in Jerusalem as Antichrist.

This happens at The Sixth Seal, The Sixth Trumpet and The Sixth Vial in the middle of The Five Months
and the One World Political System will then become a One World Religious System.
