## THE FIRST SEVEN VERSES OF EZEKIEL CHAPTER 38

As you can see in the first 7 verses of Ezekiel 38, a confederacy headed by Gog, the chief prince of Meshech and Tubal (most likely Moscow and Tobolsk), is foretold of including Persia and Gomer (Iran and probably Turkey)

This confederacy is assembled prior to finally, at the woe of the fifth trumpet, becoming the bear of Revelation chapter 13 and Daniel chapter 7: the fourth and final king of the north written of in Daniel chapter 11.

Gog is told in Ezekiel 38:7,  
"Be thou prepared, and prepare for thyself,  
thou, and all thy company that are assembled unto thee,  
and be thou a guard unto them."

The Ezekiel 38 Confederacy will finally emerge as the bear at the beginning of the five month long hour of temptation but it isn't until the end of that five month period that the events of Ezekiel 38 and 39 transpire written of beginning with the 8<sup>th</sup> verse of Ezekiel chapter 38.

At the time of this writing we are still in **the wars and rumors of wars** phase as we watch what will become the bear of Daniel 7 formulate.

We are also seeing what we believe to be the breaking of **the great horn of the he goat** which is The United Nations being slowly dismantled by the current U.S. administration (for details, look up THE DANIEL 11 HYPOTHESIS on BiblicalResearchLabs.com)

and as you can see in Daniel chapter 8, it's after the great horn of the he goat is 'broken' (which is the same Hebrew word translated as 'destroyed' in Daniel 11:20) that for it will come up 'four notable ones toward the four winds of heaven' which are the lion, bear, leopard and fourth beast of Daniel chapter 7: the 'NEW world order.'

### EDITOR'S NOTE:

There will be no 'new world order' until Satan and his angels are cast to earth at the woe of the fifth trumpet at the beginning of the five month long hour of temptation. Only then does the one world political system written of in Revelation 13 come into being which then receives a 'deadly wound' after which Satan appears as the false christ and it becomes a one world religious system at the woe of the sixth trumpet. The True Christ will not return until immediately after the five month long hour of temptation at the woe of the seventh trumpet.

RUSSIA TO TAKE MEASURES AGAINST WASHINGTON'S 'MAJOR' NEW SANCTIONS ON IRAN  
(presstv.com, 6-24-19)

(EXCERPT)

**Russia says it and its partners will take steps to counter new sanctions that US President Donald Trump has said it will impose on Iran Monday.**

Russian Deputy Foreign Minister Sergei Ryabkov made the announcement Monday, a day after Trump threatened Tehran with new sanctions as part of his administration's "maximum pressure campaign" against the Islamic Republic.

Ryabkov did not specify what those steps would be, but said that the imposition of US sanctions would aggravate tensions. He also urged Washington to seek dialogue with Tehran, instead of imposing new sanctions.

Trump has said the United States will impose "major" new sanctions on Iran in two days - a move sure to exacerbate tensions with the Islamic Republic.

"We are putting major additional Sanctions on Iran on Monday," Trump tweeted. "I look forward to the day that Sanctions come off Iran, and they become a productive and prosperous nation again - The sooner the better!"

**'A prolonged phase of gradually expanding cooperation with key Eurasian partners, both stimulated and arbitrated by America, can also help to foster the preconditions for an eventual upgrading of the existing and increasingly antiquated UN structures. A new distribution of responsibilities and privileges can then take into account the changed realities of global power, so drastically different from those of 1945.'**

# IN "NEW ERA" OF COOPERATION, RUSSIA AND CHINA FORM ALLIANCE AGAINST THE U.S.

(zerohedge.com, 6-14-19)

(EXCERPT)

Unfortunately for President Trump, it looks like his 'great friend' President Xi has a new "best friend", at least according to a questionable English translation of his remarks from a meeting in Moscow this week.

During Xi's three-day trip to Moscow to mark the 70th anniversary of diplomatic relations between the two countries, he and Putin shared many warm words as they took in a show at the Bolshoi while discussing "**international issues**" and even "**literature and sport.**"

The SCMP recounted some of Xi's more florid remarks in a story warning that Washington risk isolating itself at its own peril.

*"We have communicated extensively on the broadest range of issues, including international situations, bilateral ties and domestic governance," Xi said.*

*"We have also talked about literature, art and sport...**President Putin is the foreign colleague that I have interacted with most extensively. He is my best friend and I greatly treasure our friendship.**"*

Xi told press in Moscow that the two leaders could "bring our relations to a new era of greater development" while both countries watch their relations with the US unravel.

*In an interview with Russian media published on Wednesday, Xi said that Beijing and Moscow would "bring our relations to a new era of greater development at a higher level" and push the "comprehensive strategic partnership of coordination" into a new era.*

***"We have the confidence and capability to bring our relations to a new era of greater development at a higher level, based on our experience and achievements of the past 70 years," Xi was quoted as saying.***

Xi even called out the US for its aggressive stance toward Iran.

warning that China and Russia held similar positions on the issue.

Xi added that China and Russia both hope the US - and everyone involved -

can "remain reasonable and restrained" and "reduce tensions."

***"With the US recently imposing extreme pressure and unilateral sanctions on Iran, tensions over the nuclear issue in Iran and even the entire Middle East have become worrying," he said. "China and Russia share a highly unified view on the Iran nuclear issue, and we both hope that all parties involved can remain reasonable and restrained, and strengthen dialogue and consultation to reduce tensions."***

Pointing out the obvious, one analyst from a Chinese university quoted by the SCMP said that Xi's visit with Putin was designed to give China more leverage against the US.

*Shi Yin hong, an adviser to the State Council and a US specialist at Renmin University in Beijing, said Xi's visit was set to give China more leverage in its competition with the US.*

***"China's announcement that its ties with Russia have entered a new era, its emphasis on Xi's personal ties with Putin, and calling out the US on Iran are all set against the background of unprecedented tensions between the US and China, and the lasting confrontation between Russia and the US," Shi said.***

*"There is a major strategic need to strengthen the ties between Russia and China...and China will continue to team up with Russia against the US on international issues."*

#### EDITOR'S NOTE:

Again, we are still in the **wars and rumors of wars** stage where both the lion and the bear of Daniel 7 are being formulated while at the same time the stage is being set for the two to merge together in the global political system (a.k.a. the new world order) that will not come into being until the woe of the fifth trumpet. there is no lion or bear yet. It is not until satan and his angels are cast to earth that the 'four notable ones' (the lion, the bear, the leopard and the fourth beast) come into being when they rise up together in the global political system at the same time at the woe of the fifth trumpet.
