ONE WHO SENDS A RAISER OF TAXES

If the United Nations is **the great horn of the he goat** written of in Daniel 8:8 that gets broken before the five month long hour of temptation begins at the woe of the fifth trumpet, then the United Nations is also **the one who sends a raiser of taxes** written of in Daniel 11:20.

The subject is not **the raiser of taxes** in Daniel 11:20, but rather **the one who sends the raiser of taxes**.

(as you can see from the original Hebrew, The Companion Bible, The Green's Interlinear and the book by Otto Zockler and James Strong called The Book of The Prophet Daniel published in 1899)

If **the raiser of taxes** is the global carbon tax (which is the eventuality of the Paris Climate Agreement) then November 4th, 2016 would begin the **few days** (which means a few years) after which **the one who sends a raiser of taxes** is destroyed.

That word destroyed, in the Hebrew, is the same word as broken in Daniel 8:8 as you can see in The Strong's Concordance.

The one who sends the raiser of taxes and **the great horn of the he goat** are then one and the same: The United Nations

EDITOR'S NOTE:

There will be no 'new world order' until Satan and his angels are cast to earth at the woe of the fifth trumpet at the beginning of the five month long hour of temptation. Only then does the one world political system written of in Revelation 13 come into being which then receives a 'deadly wound' after which Satan appears as the false christ and it becomes a one world religious system at the woe of the sixth trumpet. The True Christ will not return until immediately after the five month long hour of temptation at the woe of the seventh trumpet.

RUSSIA RATIFIES PARIS CLIMATE ACCORD

(sputniknews.com, 9-23-19)

(EXCERPT)

The Paris Agreement is a deal under the United Nations Framework Convention on Climate Change that focuses on issues related to greenhouse gas emissions. It was signed by 196 states on 22 April 2016.

Russian Prime Minister Dmitry Medvedev has signed a Cabinet resolution on ratifying the Paris climate agreement.

"Let's start with an important document - I signed a government resolution, it concerns the adoption of the Paris climate agreement," Medvedev said at a meeting with deputy prime ministers.

Russia signed the agreement on 22 April 2016. 195 nations and the European Union have signed the Agreement by now. However, ten nations are still yet to ratify the deal.

Notably, the United States announced its intention to withdraw from the accord. It is entitled to leave it not earlier than November 2020.

'A prolonged phase of gradually expanding cooperation with key Eurasian partners, both stimulated and arbitrated by America, can also help to foster the preconditions for an eventual upgrading of the existing and increasingly antiquated UN structures. A new distribution of responsibilities and privileges can then take into account the changed realities of global power, so drastically different from those of 1945.'

MARK 13:37

THE ROBBERS OF THY PEOPLE SHALL EXALT THEMSELVES TO ESTABLISH THE VISION BUT THEY SHALL FALL

As we know from Daniel 8:8, the four notable ones (which are the four beasts of Daniel 7) won't rise up together at the same time in a one world political system until the woe of the fifth trumpet when Satan and his angels are cast from heaven to earth.

Daniel's fourth beast is **exclusively supernatural** and it isn't until after the one world political system is 'wounded to death' that the woe of the sixth trumpet transpires which is when Satan appears as the antichrist in Jerusalem.

As we also know from Daniel 8:8, the four notable ones do not emerge until after the great horn of the he goat is 'broken' (which is the same word as 'destroyed' in Daniel 11:20).

The one who sends a raiser of taxes and the great horn of the he goat being one and the same as you can see in [The Daniel 11 Hypothesis](#) on [BiblicalResearchLabs.com](#).

The so-called Sanhedrin calling for an 'Organization of Seventy Nations' to replace the U.N. would then be **the robbers of thy people** exalting themselves **to establish the vision** but did it say they would succeed? No. It says **they shall fall**.

The word 'fall' in The Strong's Concordance is #H3782: a primitive root; to totter or waver (through weakness of the legs, especially the ankle); by implication, to falter, stumble, faint or fall:—bereave (from the margin), cast down, be decayed, (cause to) **FAIL**

In other words, these Kenite charlatans will attempt to fulfill the prophecy of a one world political system but will **FAIL** miserably.

Revelation 13 and Daniel 7 are both entirely yet future.

The beast having seven heads (the seven continents of the planet Earth) and ten horns (ten fallen angel kings) will **not** come into being until Daniel's fourth beast (Satan and his angels) are cast to earth. Then **after** that one world political system receives the deadly wound Satan will appear as antichrist in Jerusalem.

EDITOR'S NOTE:

Again, we are still in the wars and rumors of wars stage where both the lion and the bear of Daniel 7 are being formulated while at the same time the stage is being set for the two to merge together in the global political system (a.k.a. the new world order) that will not come into being until the woe of the fifth trumpet. there is no lion or bear yet. It is not until satan and his angels are cast to earth that the 'four notable ones' (the lion, the bear, the leopard and the fourth beast) come into being when they rise up together in the global political system at the same time at the woe of the fifth trumpet.
