THE MAINSTREAM MEDIA IS NOT YOUR FRIEND

According to REUTERS.com, on 5-18-20 U.S. President Donald Trump threatened to 'permanently halt funding for the World Health Organization' and 'to reconsider his country's membership of the agency.'

In his book *The Choice: Global Domination Or Global Leadership*, Zbigniew Brzezinski pointed out on page 149 that 'The "Made in the USA" label' is 'quite visibly and unavoidably imprinted on globalization.' and then on page 150 went on to define globalism as 'U.S. political primacy' which is what is also known as multi-polar globalism as opposed to unipolar globalism.

An article published on ZeroHedge.com on April 19<sup>th</sup>, 2020 also pointed out the two warring factions of globalists:

'Whatever forces are behind the current spread of the coronavirus justifying the shutdown of major nations across the globe, one thing is increasingly certain:

**a new system will absolutely emerge from the currently collapsing one.**

What remains to be seen is whether this new system will be shaped by those fascist crisis-loving technocrats pushing for a unipolar world order, or whether it will be organized by sovereign nation states working together under a multi-polar community of principle.'

**"Nation shall rise against nation"** as in the goat fig nation shall rise against the goat fig nation which is how the United Nations will be 'broken' (see Daniel 8:8).

#### EDITOR'S NOTE:

There will be no 'new world order' until Satan and his angels are cast to earth at the woe of the fifth trumpet at the beginning of the five month long hour of temptation. Only then does the one world political system written in Revelation 13 come into being which then receives a 'deadly wound' after which Satan appears as the false christ and it becomes a one world religious system at the woe of the sixth trumpet. The True Christ will not return until immediately after the five month long hour of temptation at the woe of the seventh trumpet.

#### TRUMP THREATENS PERMANENT WITHDRAWAL FROM WORLD HEALTH ORGANIZATION (ZERO HEDGE, 5-19-20)

(EXCERPT)

Not only has the Trump administration threatened to withdraw from the WHO, it has also opposed a resolution to set aside patent laws to allow impoverished countries to produce their own vaccines and drug companies.

Beijing rebutted Trump's letter Tuesday morning as a spokesman for China's Foreign Ministry slammed the move as "futile" and called on the US to stop the "blame game" over who is responsible for the outbreak.

China urged "a few US politicians to stop the blame game" when asked about the letter US President Donald Trump sent to the World Health Organization on Monday."

*"The US letter is full of vagueness, it tries to mislead the public to smear China and shift the blame away from its own incompetent response, currently Covid-19 is still spreading in the US, the most pressing task is solidarity and cooperation to save lives. We urge a few US politicians to stop the blame game and together defeat the virus,"*

*Chinese Foreign Ministry spokesperson Zhao Lijian told reporters Tuesday."*

**'A prolonged phase of gradually expanding cooperation with key Eurasian partners, both stimulated and arbitrated by America, can also help to foster the preconditions for an eventual upgrading of the existing and increasingly antiquated UN structures. A new distribution of responsibilities and privileges can then take into account the changed realities of global power, so drastically different from those of 1945.'**

MARK 13:37

# NATION SHALL RISE AGAINST NATION

“The analysis that follows suggests that a multipolar world, albeit one still dominated by the United States, will eventually replace the current unipolar system.”

Lieutenant Colonel Robert L. DeYeso Jr., United States Army

As we know from Daniel 8:8, before the so-called 'new world order' can emerge, **the great horn of the he goat** must first be '**broken**', which is the same word in the Hebrew translated '**destroyed**' in Daniel 11:20.

**The one who sends a raiser of taxes and the great horn of the he goat**  
being one and the same:  
the United Nations.

This is how the current president can say “I'm a nationalist and a globalist” because he belongs to the same multipolar faction of globalists JFK did as well as Zbigniew Brzezinski obviously as you can see from his book, *The Grand Chessboard*, where on the last page he outlines the strategy to create the 'new world order' which involves replacing the United Nations.

It doesn't take very long to realize the current U.S. president is systematically dismantling the United Nations which is called 'one who sends a raiser of taxes' in Daniel 11:20 (when properly translated) because of the Paris Climate Accord that went into effect in November of 2016, the ultimate eventuality of which (if not stopped) is obviously a global carbon tax.

During the first term of the current president the U.S. has been pulled out of UNESCO, the U.N. Human Rights Council, the U.N. Arms Treaty, and soon possibly the World Health Organization, making the current administration seem anti-globalist to the untrained eye, but as you **should** know by now, these are the actions of the multipolar globalist faction against the unipolar globalist faction... the name of their game is Hegelianism.

So then “**nation shall rise against nation**” in Mark 13:8 means the goat fig nation shall rise against the goat fig nation (unipolar vs. multipolar globalists) as far as Daniel 8:8 and 11:20 is concerned.
