The Apocalypse Post

THE MAINSTREAM MEDIA IS NOT YOUR FRIEND

'Ultimately, the Russians want a Multipolar World Order in which they are one of the poles. For Washington, this has been an absolutely unacceptable vision that is directly opposed to their Unipolar/Pax Americana. Small-minded clowns can say the problems between Russia and America are cultural misunderstandings or rooted in buzzwords like *Human Rights* but the real truth is rooted in these two competing visions for the Geopolitical layout of the 21st century.'

'Today, the world is going through momentous changes, and humanity is entering a new era of rapid development and profound transformation. It sees the development of such processes and phenomena as multipolarity, economic globalization, the advent of information society, cultural diversity, transformation of the global governance architecture and world order; there is increasing interrelation and interdependence between the States; a trend has emerged towards redistribution of power in the world; and the international community is showing a growing demand for the leadership aiming at peaceful and gradual development.'

(Joint Statement of the Russian Federation and the People's Republic of China on the International Relations Entering a New Era an the Global Sustainable Development, 2-4-22)

But what many people fail to realize is that behind the scenes of the governments of the world is a shadow government made up of two warring factions of Kenites symbolized by the 'he goat' written of in Daniel 8.

On one side are the Kenites who (through Edom) are attempting to bring what they call a 'multipolar world order' into being, while on the other side are the Kenites who operate through the left/right paradigm (symbolized by Ammon and Moab) who are attempting to perpetuate and improve upon the so-called 'unipolar world order'.

This war within the Kenite Nation will continue to be fought through their puppets within the governmental infrastructures throughout the globe up until the United Nations (which is the 'great horn' of the 'he goat' of Daniel 8:8, in my opinion) gets 'broken' and then the so-called **new** world order will emerge at the woe of the fifth trumpet which then receives a 'deadly wound' after which Satan appears as the false christ and the new world order becomes a one world religious system at the woe of the sixth trumpet.

AUKUS CAUCUS: REPUBLICANS AND DEMOCRATS FIND A TOPIC THEY CAN AGREE ON

(SMH.com.AU, 2-8-22)

(EXCERPT)

Members of the US Congress are considering creating an 'AUKUS caucus' to sharpen Washington's focus on the strategic military pact announced last year to help Australia acquire nuclear-powered submarines.

As US Secretary of State Anthony Blinken prepares to travel to Australia this week, Democrats and Republicans are in talks to create a special group on Capitol Hill solely dedicated to AUKUS – the three-way alliance between America, Britain and Australia designed to deter China in the Indo-Pacific.

In an interview with *The Age* and the *Sydney Morning Herald*, Democratic congressman Joe Courtney – a co-chair of the bipartisan Friends of Australia Caucus – said he believed AUKUS would be one of the most important strategic moves the US undertakes in decades.

'In the long run, global politics are bound to become increasingly uncongenial to the concentration of hegemonic power in the hands of a single state. Hence, America is not only the first, as well as the only, truly global superpower, but it is also likely to be the very last.'
