The Apocalypse Post

THE MAINSTREAM MEDIA IS NOT YOUR FRIEND

'The amount of Western military aid supplied to Ukraine is unprecedented in modern peacetime history, as is the level of Moscow's political rejection and even domestic Russophobia which has been recorded throughout almost all Western nations...Obviously, it is the US that benefits most from this consolidation. In fact, we are witnessing not quite successful attempts to restore the unipolar world of the early 21st century.'

(GLOBALTIMES.cn, 5-22-22)

'The United States is seeking to use NATO and its close allies in a bid to preserve the unipolar world order, Russian Deputy Foreign Minister Alexander Grushko said on Friday.

"The United States is seeking to use NATO and its allies, who are the closest to it ideologically, to try to preserve the unipolar world, the system of unfair world order, which used to serve the United States' interests," he said in an interview with the Rossiya-24 television channel.'

(TASS.com, 5-27-22)

'Even so, the Russia-Ukraine War has become a proxy fight between American-led globalism and the alternative: a multipolar world of nation-states free from American hegemony.'

(CHRONICLESMAGAZINE.org, 6-1-22)

But behind the scenes of 'the Collective West' are the Kenites on the unipolar end of the globalist spectrum who operate primarily through the left/right paradigm (symbolized by Ammon and Moab) as opposed to the multipolarist Kenites working through Edom as nation continues to rise against nation, meaning the Kenite Nation rising up against itself in the form of two warring factions within their shadow government which is symbolized by the 'he goat' of Daniel 8:8.

This war within the Kenite Nation will continue to be fought through their puppets within the governmental infrastructures throughout the globe up until the United Nations (which is the 'great horn' of the 'he goat' of Daniel 8:8, in my opinion) gets 'broken' and then the so-called new world order will emerge at the woe of the fifth trumpet, which then receives a 'deadly wound' after which Satan appears as the false christ and the new world order becomes a one world religious system at the woe of the sixth trumpet.

HAS THE UNITED NATIONS BECOME IRRELEVANT?

(RICHMOND.com., 6-7-22)

(EXCERPT)

On April 5, Ukrainian President Volodymyr Zelenskyy told the United Nations Security Council point-blank that it failed to do the job the U.N. Charter prescribed for it: maintaining international peace and security.

Zelenskyy's frustration was fueled by Russia's veto of a Security Council resolution more than a month prior, calling for withdrawal of Russian forces from Ukrainian territory.

Even U.N. Secretary-General Antonio Guterres acknowledged the Security Council is "paralyzed" on Ukraine, unable to do much to end the bloodshed.

'There could be no better example of the United Nations' failure to live up to its founding ideals than the recent visit by secretary general António Guterres to Russia. Attempting to calm the dangerous war in Ukraine, he obtained nothing of significance.'

(theconversation.com, 5-5-22)

'The war in Ukraine is part of the struggle for a new world order. Russia and China are openly challenging the Pax Americana. But the question how the next world order will look like remains open. In Moscow and Beijing, but also in Washington, the model of a multipolar concert of the great powers, with exclusive zones of influence, is finding support.'
