A CONFLICT BETWEEN 'MULTIPOLARITY AND UNIPOLARITY'

"We all understand that this conflict is not between Russia and Ukraine. This conflict is between the two blocks of multipolarity and of the unipolarity. Unfortunately, Ukraine is being held as the life sheild of unipolar world."
-Darya Dugina (1992-2022)

'Russian President Vladimir Putin accused the United States of trying to encourage extended hostilities in Ukraine as part of what he described Tuesday as Washington's alleged efforts to maintain its global hegemony...the Russian leader claimed that "Western globalist elites" were trying "to shift the blame for their own failures to Russia and China," adding that "no matter how hard the beneficiaries of the current globalist model try to cling to it, it's doomed...the era of the unipolar world order is nearing its end," he added.'

This war within the Kenite Nation will continue to be fought through their puppets within the governmental infrastructures throughout the globe using unipolar vs. multipolar globalism up until the United Nations (which is the 'great horn' of the 'he goat' of Daniel 8:8, in my opinion) gets 'broken' and then the so-called new world order will emerge at the woe of the fifth trumpet, which then receives a 'deadly wound' after which Satan appears as the false christ and the new world order becomes a one world religious system at the woe of the sixth trumpet.

WEST'S ACTIONS MAY SLOW DOWN FORMING OF MULTIPOLARITY BUT WILL NOT STOP IT — LAVROV

(TASS.com., 8-28-22)

(EXCERPT)

The West is seeking to disregard objective historic processes, which may slow down the forming of a multipolar world but will never stop it, Russian Foreign Minister Sergey Lavrov said in an interview with the Zvezda television channel, which was posted on the foreign ministry's website on Sunday.

EDITOR'S NOTE:

Through the electronic media which is part of the hidden dynasty of education, the minions of the Kenites on the multipolar end of the globalist spectrum continue to attempt to talk the multipolar world order into existence, while the unipolarist Kenite oligarchs aim to perpetuate Western Hegemony (via the electronic media) in order to eventually segue into an uncontested unipolar world order but there will be no so-called 'new world order' until the woe of the fifth trumpet when Satan and his angels get cast to earth.

'The war in Ukraine is part of the struggle for a new world order. Russia and China are openly challenging the Pax Americana. But the question how the next world order will look like remains open. In Moscow and Beijing, but also in Washington, the model of a multipolar concert of the great powers, with exclusive zones of influence, is finding support.'
